# HACIA LA VIDA PUBLIC PERFORMANCE BY HOESY CORONA

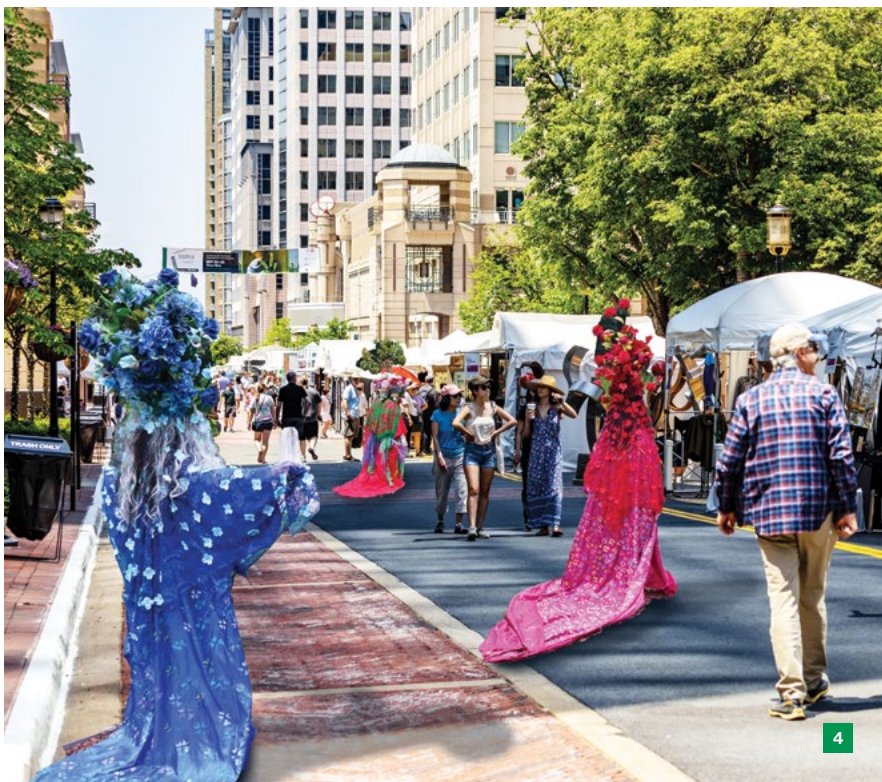

**Saturday & Sunday | 1PM & 4PM**

*Performances begin with a processional down  
Market street starting in the 900 block of the Festival.*

*Hacia la Vida* is a site-specific performance created by Hoesy Corona that explores migration and displacement caused by climate change. Performers travel through the Festival streets adorned in intricate sculptural costumes created by the artist that make their bodies simultaneously anonymous and hyper-visible. Using the archetype of the traveler and creative representation of mother nature, this performance humanizes the experience of the immigrant and celebrates the power and beauty of nature.

Hoesy Corona is a Latinx Queer artist who has been exploring climate migration in work created over the last decade.

# ABOUT THE FESTIVAL

Now in its 32<sup>nd</sup> year, the Tephra ICA Arts Festival, formerly titled the Northern Virginia Fine Arts Festival, offers one-on-one experiences with artists, vibrant public performances in dialogue with the exhibition on view at the Tephra ICA gallery, and engaging activities for art enthusiasts of all ages.

Over 200 contemporary artists and artisans travel from across the country to present original handmade artwork to share with Festival audiences. Tephra ICA Arts Festival is the perfect opportunity to fall in love with an artwork, get to know the artist who made it, and bring a piece home to add to your collection.

This year's Festival includes **72 new artists, and over one hundred returning participants.** With work in the ten different categories, the Festival has something for everyone.

## ABOUT TEPHRA ICA

Tephra Institute of Contemporary Art (Tephra ICA) is a 501c3 non-profit, non-collecting institution committed to promoting innovative contemporary art and thinking. The word “tephra”—matter from geothermal eruptions that lands upon, nourishes, and changes the surrounding environment—emphasizes the institution’s belief in the combustibility of creativity and the generation of ideas and growth that the arts can provide.

At this year’s Festival, Tephra ICA will launch their Anniversary Celebration of a 50-year history in the community. Founded in 1974 as Greater Reston Arts Center (GRACE) by Reston artists and residents, the institution works with artists, galleries, institutions, universities, thought leaders, and collectors globally. We rely on a variety of funding sources for programming, and the annual Tephra ICA Arts Festival is our largest fundraiser.

Become a member to support Tephra ICA and join us on Saturday evening for the Festival Cocktail Hour and Award Ceremony for a special champagne toast to launch our 50<sup>th</sup> anniversary!
